

## Registration for the 2020-20201 School Year

Greetings Future David Dolphin Families!

Due to the ever-changing circumstances we are facing, new student registration will be a little different from the way we normally handle it. We will do our best to make sure the process goes smoothly and will be happy to answer any questions you may have.

Online registration will begin on April 18th. Please do not fill out the application before that time or it will be deleted. **Required documents and immunizations will still be required for registration (See lists on our school Registration page). You will have an opportunity to scan these items in with your online application.**

Step 1: [Click here for Online Application](#)

Step 2: Please email or fax your child's immunization records to our school nurse, Allyson Shaul, for review.
