

## David Elementary Summer Reading 2021

Dear Parents,

The purpose of our summer reading program is to encourage students to become lifelong readers. We also want to continue to build their independent reading skills in a fun and engaging way.

Reading research indicates that children's reading ability declines between the end of one school year and the beginning of the next; however, this can be prevented by performing one fundamental task- reading throughout the summer.

Our summer reading program focuses on the amount of time spent reading over the summer. To earn the rewards, students should keep track of their reading minutes on the Summer Reading Record Sheet (on the back of this letter). The summer reading program begins on Friday, May 31st and ends on Tuesday, August 13th. **The record sheet and reading log will be due in the David Library by Friday, August 20, 2021.**

Happy Reading!
