Attendance- School hours are 8:05AM to 3:10PM. Your child needs to be in the classroom before the 8:05 tardy bell. If your child is going to be absent, please notify the school the day of the absence, before 8:30 if possible. You can reach the Front Office at 281-298-4700. It is helpful to send in a doctor excuse (if applicable) when the student returns.

Bus Service is available for students living over 1 mile from school. It usually takes 3-5 days for new students to be added to a bus route.

Transportation- If you need to change your child's mode of transportation for dismissal, please notify the school front office before 2:00PM. Transportation change stickers are given to students each day at 2:30PM.

Lunch- To set up a lunch account, view the monthly menu, and find information on Free and Reduced meals, go to the link below. Account can be set up once the student receives an ID number on their first day of class.

Parent Access/Canvas Accounts- To establish an account, go to our school home page, <https://david.conroeisd.net/>, for detailed instructions. Please register each child for a Parent Access account first. You will be able to use the same log in and password for Canvas. Parent Access will allow you to view report cards, daily grades, state test results, attendance, etc. Canvas will allow you to view the website for your child's teacher. *Allow 24 hours after your child's first day of school to register for account.

Weekly Newsletters with detailed school information are sent out to parents, usually on Wednesday or Thursday.

If you have any questions please contact Lori McCraw at 281-298-4700 or lmccraw@conroeisd.net.
